

11th September 2026

Dear Parents and Carers,

We are writing to make you aware of an incident that has been reported to the school.

Three of our pupils were followed by two men in the late afternoon in the local area. This has been reported to the police.

The safety and wellbeing of our pupils is our highest priority. As a school, we will be doing some additional work with the children around staying safe; including stranger awareness, being aware of their surroundings, and what to do if they ever feel unsafe or are approached by someone they do not know.

Please could parents and carers reinforce these messages at home and, where possible, remind children about the importance of staying with friends and avoiding walking alone, and to go to a safe, busy place if they feel they are being followed or feel unsafe.

Please contact the school if your child has experienced anything similar or if you become aware of any concerning behaviour in the local area. We would also ask that you report any incidents directly to the police.

We appreciate that this information may cause concern. Please be assured that we are taking the matter seriously and will continue to work closely with the police and our pupils to promote their safety.

Thank you for your continued support and cooperation.

Kind regards,

Mrs Steve Down
Headteacher
